

WIS 26 corridor

July 2004

Bike route planning workshop

As part of the WIS 26 Corridor Plan implementation, the Wisconsin Department of Transportation is conducting a study to identify bike routes and linkages parallel to WIS 26 to facilitate inter-community commuting.

The study limits are from Janesville to WIS 60, just north of Watertown. Input from the local bicycle community is an important part of this study. Please join us for one of the following workshops:

Tuesday, July 20, 2004, 6 - 9 p.m.

Jefferson County UW-Extension Office, Room 8/9
864 Collins Road
Jefferson, WI 53549

Wednesday, July 21, 2004, 6 - 9 p.m.

Watertown Senior and Community Center, Conley Hall
514 South First Street
Watertown, WI 53094

Snacks and refreshments will be provided. Bring a friend and plan to share your ideas of how WisDOT can provide a safe and efficient bicycle transportation system in this area.
